Foxy has more than books in her backpack.

Among the notebooks and pens, she also has a stash of panties tucked away inside a ziplock bag. "I'm horny so much throughout the day that my pussy is always dripping. So my panties are always wet, and it's kind of uncomfortable. I usually change them twice while I'm at school. I don't know if something is wrong with me, but I just think about sex constantly!"

"Is it normal for my panties to be wet all day long?"

What do you do with your dirty panties?

"I have a bag that's specially for my wet panties. I take them home and throw them in the laundry. But one time this guy stole my dirty panties! He had asked me to borrow a pen, and I reached for one in my backpack. I think that's when he saw my panties. I went to the bathroom and didn't think anything until I got home and noticed my panties were gone! I didn't know whether to be pissed or turned on."

We think your pussy being wet all day is definitely a good thing.

"I just want to know that it's normal. I get so wet that a guy could just pull down my panties and stick his cock in me with no problem. Not that I would mind that! That's what I often fantasize about: A hot guy pulling me into the bathroom or an empty hallway, kissing me hard, lifting up my skirt and fucking me right there."

NATALIE

"Taking nude pics of myself turns me on!"

Natalie likes to be behind the camera and in front of it.

Thanks to her photography class, Natalie discovered that she has a knack for taking pictures. She also discovered that she likes having her photo taken...nude! "Being in that class inspired me to get my own camera. I thought I would be taking pictures on the street, but the first thing I did was take a picture of my tits! I realized I loved taking nudes."

NATALIE

HEIGHT: 5'5" WEIGHT: 115 lbs.
BRA SIZE: 34B BORN: May 5
LIVES: Henderson, Kentucky

Do you send your naked pictures to anyone?

"I won't send them to just any fuckboy. They'll show your pictures to everyone, but I don't care much about that. What's really annoying is that they don't stop asking for nudes. I prefer to send my pics to respectful older guys. At least they won't send my pics to anyone I know!"

How do you feel about dick pics?

"It depends on who's sending it. If it's some gross guy who sends it without even asking if I want to see, then it's a turn-off. If it's a hot guy that I'm flirting with, then I'm into it. I've straight up fucked a guy after he sent me a dick pic because his cock looked so good. It felt just as nice as it looked!"

Tiffany is running for class president.

She's confident that she's going to win. She's smart, popular, pretty...and she's willing to do what it takes to get to the top. "I've already fucked two of the three people who are in charge of counting ballots. I mean, I think I'll win fair and square, but it's good to have a back-up plan."

Did they think you were trying to fuck them to rig the election?

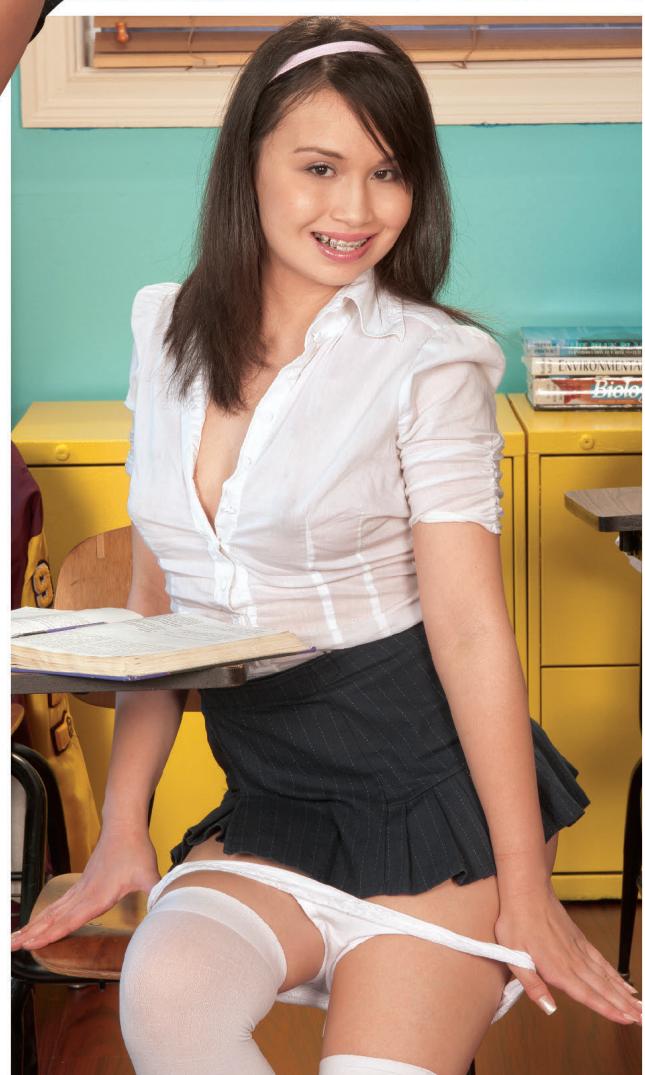

"Probably. But they didn't care. Who's gonna say no to a cute girl who wants to ride your cock? And like I said, I think I have the election in the bag. To be honest, I would have fucked them even if I wasn't in the running. I needed cock and they were in the right place at the right time. The fact that they count the ballots was an added perk."

SASHA

"I'm definitely the horniest girl in my class."

Sasha will catch you off guard.

Most people write her off as sweet and innocent because of her braces and fresh face. But you'll be shocked when you hear the words that come out of her mouth. "There's probably only one percent of my class that I wouldn't fuck. But I'd totally give my pussy up to so many of my classmates. Girls and guys!"

For someone who's so horny, why haven't you had that much sex?

"I was a late bloomer, but when it hit me, it hit me hard. It was like from one day to the next I went from playing with dolls to playing with dildos. This all happened within the last year, so I have a lot of catching up to do. Also, I'm assertive and know what I want, which can intimidate guys my age."

Bet you never knew any chicks like THIS in high school!

BACK TO SCHOOL

By Payton Parker

The start of school may mean an end to bikinis at the beach and short shorts around the food court as young ladies head back to the hallowed halls of education, but it is a time of year that calls for nostalgia. Recently, I got three former high school hotties together to reminisce, with extremely sexy results.

Prom Night

The opening line to Denise's naughty email—the one that made me seek her out for this story—was what hooked me:

"I'm the girl you read about on the bathroom wall..." she wrote, "literally and figuratively."

Intriguing, right?

I had to learn more. Turned out she took a tiny bit of license, but her story was hot and the way she twisted the email was creative. I had to admire it. Tall and olive-skinned, her initial photo had pictured the brown-eyed beauty with long, inky tresses spilling out from an updo and a slinky, turquoise gown—it was a shot from prom night.

When we met up with the two other girls interviewed for this piece, in keeping with her boldness, she told her story first, whetting everyone's appetite (and perhaps wetting other things) for more. Her assertive sexiness was the lube necessary to get the shier girls talking, and her sassy-cute, short haircut was a sexy

surprise. She said she thought it would make her appear more mature. Now in college, she was on the hunt for older men.

"But back in high school I was like most girls, hot for the captain of the football team. I guess what makes me different is that I also wanted to fuck the head cheerleader!"

The other girls gasped, but leaned in. She had them hooked. They wanted more and she leaned in close, too, her sexy lips—naked save a bit of clear gloss amplifying their fullness—parted and she spoke.

"It was senior year. I was a cheerleader and so were a few of my best friends. One of them, though, Lara, was kind of a bitch. She was a redhead and lean and sexy as hell, though. She had high, little titties with super-sexy nipples. I remember I got to see her in the locker room. She wore these tiny, little panties, so I could just imagine how small and pretty her itty-bitty muff would be underneath. I'd never gotten a peek at her pussy but there was just something about her—even though I didn't much like her—that made me want to fuck her so good she'd fall in love with me. I wanted to watch her face when she came."

"Why would you want to make someone you didn't like feel good?" asked Kacey.

"You know, I'm not sure. I'm definitely the opposite with guys. Maybe I want to take them down a peg, knock the 'mean girl' out of them for the benefit of society...."

We all descended into a bit of laughter at that one. Who, after all, hasn't met a mean girl?

"Anyway, she didn't like me.

Because her boyfriend, Terry—our school's Jock-In-Chief—had a thing for me. He wanted me bad. I was as tall as he was and just as confident. He liked my long legs, my long hair. And I knew it. And I teased him. And we joked around a lot in a way that he and Lara didn't. Also, her 'Mean Girl' power was useless against me. I didn't give a shit if she or any of her dumb friends liked me. Neither did he. If she had dumped him he wouldn't have cared. Fuck, he probably would have asked me out five minutes later. But because of that, Lara was way into him. I swear, why do so many pretty girls have low self-esteem?"

"You're getting off topic," said Larissa.

"Right!" she said. "Anyway, it went down almost like one of those cheesy high school movies on TV, except everyone was mostly naked at the end and we were in a hotel ladies' room." She chuckled.

"...It was prom night. The school had rented out space at the nicest hotel in our small town. It wasn't anything crazy posh, but everyone was excited about it. I was wearing this beautiful blue-green dress I'd saved up money for. I had seen it over the summer break and put it on lay-away for prom.

"It was low in the back, halter-tied at the neck and had a cut-away spot between my boobies where you could see my skin and the curve of my boobs. It pushed them together in a way that made everyone look just a little longer than they needed to. I didn't bother wearing a thing underneath it. I didn't want lines to show and that was turning me on,

"Instead of the two of them getting that traditional after-party room, it was the three of us."

too, making me feel sexier. I think it must have showed."

About two-thirds of the way through the dance, her confidence got the better of her. She'd been watching Terry—mostly goofing with his friends—and the idea of pressing herself against him was foremost in her mind. School was almost over. May as well have her fun and maybe shake a little drama into the dance. Lara was on the other side of the room with her hens. Denise strode right up to Terry, took his hand and led him out on the floor.

"You must not have a date," she said to him, sliding his hands over her shoulders. "You haven't danced all night."

"You know...you're right! I haven't!" He was a showman, absolutely her equal. They chatted and flirted and swayed for a few minutes. They had forgotten anyone else was there.

"I could feel his cock growing long and hard in his pants," Denise remembered. "My dress was silk so thin it was practically like being naked. He could feel me almost like I was. And I was rubbing against his hard-on. He knew what was up. I knew what was up. We were smiling and laughing...and then Lara approached, seething. She grabbed my wrist—hard. I was thinking about punching her right in the face, but that wouldn't be classy..."

The girls laughed. Denise knew

how to tell a story.

"...So I let her lead me away from the floor and turned to shrug and smile at Terry as we left, as though to say, 'Okay, this will be funny. Let's see what happens....'"

Lara dragged Denise into the bathroom. Or rather, Denise—who towered about a foot taller than the tiny cheerleader in her heels—allowed herself to be led. Once there, Lara let loose. Denise wasn't much listening to her. She was rubbing her wrist where she'd been grabbed and looking at Lara.

"She had these wild green eyes and such a tight, cute body. She was uppity and I could see her hard nips through the black silk of her gown. Her hair was up, pieces of red hair falling away from her head in wisps—very similar to how I'd worn my hair. Her little butt was like a tiny apple jutting out in her dress. I imagined holding onto it while I ate her box with her legs spread wide. I wondered if Terry did that for her. Then I started thinking about watching that. Man...is there something wrong with me?"

"Um, NO. Now we're all thinking about it! Go on!" said Larissa.

"As she's talking to me, I walk up on her. The closer I get, the lower she talks until I'm standing almost as close to her as I was to Terry. Her breath is on my shoulder. I can feel her nips through her dress and mine. And just like that, I can smell that

she's in heat the way I am and I lean down and kiss her...and then it was ON." A hot make-out session followed. Denise lifted tiny Lara to the make-up counter, where the ladies are supposed to dab on gloss before heading out. Her hand slipped between Lara's gymnastics-toned thighs. She wasn't wearing panties either. Her pussy was waxed bare, her wet lips splayed, her clit vibrating to every one of Denise's touches and pulls.

"Oh my God, your box is so hot and wet," Denise murmured.

"I have never been so glad I was wearing black in my life," Lara said. The lioness had become a playful, little kitten.

"She was purring, literally, in my ear," Denise said with a smoky, slightly evil laugh. "And when I asked her if a cheerleader's pussy tasted like sugar, she whimpered and opened her legs wider, her body begging me to eat her."

"Show me," I said, standing back.

"And just like that, the haughty head cheerleader, the sexy teen bitch, lifted her dress for me and spread her legs and showed me her bald pussy, with the expensive shoes her mommy bought her waving around in the air."

She was like a nervous girl auditioning for her first porno movie. It turned Denise on. So she decided to move in for a taste.

"Oh, she was sweet," Denise told us. "I sucked on each of her lips for a minute or two, watching her clit grow bigger, feeling her body tense tighter and tighter. I slid my longest finger all the way up inside, watching it disappear into her hole, and when I put my lips on her button, she grabbed the back of my head and was mewling, almost like a kitty. And I was lapping up her slit like milk, making noises, too-nom, nom, nom—and then the door opened and there was Terry.

"I turned and looked at him and just mouthed the words, 'Fuck me,' and went back to what I was doing. And like a boss, he lifted up my

Little Charli is navigating her first crush.

She's never had a boyfriend before, so she gets tongue-tied when one of her classmates starts giving her attention. "I want to be a different kind of tongue tied. You know, like making out! But a guy has never flirted with me before so I get nervous and don't know what to do. I'm really horny and I want to do him. I'm just shy and don't know how to make it happen."

You should try to be alone with him.

"I was thinking of inviting him over to study when my parents weren't home. I just have to work up the nerve! It's what I think about every day when I come from school. Then I spend half the afternoon rubbing my pussy and cumming instead of doing my homework. Having a crush on a boy sure is distracting!"

dress and had his quarterback's dick out in 10 seconds. He even had the props to spread my pussy lips a little, to make sure I was wet, which I was—Hello? Did he SEE me eating his girlfriend's box?—and then slid it in, slow and deep.

"I reached down and began circling my clit with my finger, mimicking what I was doing with my tongue on Lara's pussy, and as his thick prick began filling me up I felt the sensation rising in Lara and in me...and poor Terry, he was an 18-year-old jock participating in and watching a live sex show. He only had about a minute in him, if that! We all came at once, shuddering and moaning, Terry yanking his crank out and spraying his stuff all over the tiled wall rather than on our dresses. Gentleman that he is, he even had the decency to clean it up."

The drama was buzzing for the rest of the night of course.

"And instead of the two of them getting that traditional after-party room, it was the three of us. I haven't had as much fun since. Although I kind of miss hating on Lara. She loves me now. I even got her to grow a little blonde muff for me."

Il Profesore

"Jeez," said Larissa. "My story seems kind of boring now. I almost want to go to the bathroom here and touch myself after that!"

"Me, too," murmured shy Kacey, whispering down into her latte. "I'm super horny!"

"I still want to hear it," Denise said. "I'm wondering if your muff is orange like your hair."

Larissa blushed beneath her freckles. "It is." She was staring into her cup now, too. I was wondering if the three of them would be getting a room. And imagining what that scene might look like.

"Better tell the story," said Kacey, desperate to break the tension.

"My Dad is from Italy and even

though I grew up in a house where Italian was spoken all the time, mine could use improvement. I was too interested in being like my American friends growing up and let my Italian lapse. So regrettable. Anyway, I want to get it back. I'm more than halfway there. So to prep for my Italian elective in the fall, I decided to take a language class over the summer at the local community college."

"Oh, shit," said Denise. "I see where this is going. Is he hot?"

"SO HOT!" said Larissa.

"Who?" Kacey hadn't caught on.

"Her Italian professor!"

"Ohhhhhhhhh! That IS hot."

"His name is Professor Russo; he's from Firenze—that's Florence—and he's 40."

"Mmmmmmmmm," said Denise.

"The second I saw him, I knew I had to have him. I wear a lot of '50s-style clothes..." Indeed, on this day she looked like a dream straight out of *Mad Men*, a clingy, swingy flowered dress hugging a curvy body. For some reason, I couldn't stop imagining that orange box, framed in retro garter belts and lace....

"And so the second week of class, I started sitting in the third row of the teaching auditorium—front and center and right about eye height—and I stopped wearing underwear."

"Okay, I totally want your phone number," said Denise.

Larissa laughed, emboldened by the compliment. She went on.

"The first time I opened my legs so

he could see it, I saw him almost shake his head, like he didn't really think he'd seen what he thought he'd seen. Then he looked again. And every time he looked, I got my own little electric thrill. Then he looked at my eyes for a moment. Just long enough so that we could establish that yes, I was flashing my cunny and yes, I was doing it on purpose and yes, it was getting me hot knowing he was looking at it."

"That is hot," Denise said.

"And it made me bold. I'd ask questions. He'd answer. His accent would turn me on. Sometimes, if whatever he said made me feel sexier, I'd open my legs just a teeeeeesy bit more so he could see it better."

"And what happened next?" asked Kacey.

"Nothing."

"NOTHING?" they said together.

"No. For four weeks I'd do this. Every time. I'd wear different skirts, different sexy shoes. One or two times I wore lacy crotchless boy shorts and near the end of the semester, I shaved a bit away from the inner part of my pussy lips, so that if I spread them just right, I knew he'd get a peek at the wet, pearly, pink inside. And then, after the class was over, I decided to pay him a visit during his office hours."

She walked in and he stood up at his desk. They didn't speak. She shut the door behind her. He came around, locked it and eased her up on the desk.

"He put me up there and lifted my skirt, arranging it around my cunny like he'd been thinking about it for a month, which I guess he had. For the occasion, I wore lacy, white briefs without a crotch. It framed my fluffy red box so nicely. And then he just dove in, smelling my cunny, which was an incredible turn-on. In Italian he told me about how he'd imagined I'd smell and taste and then he began to eat me like I was a dish in a five-star restaurant, licking and sucking and ooooooh, the finger fucking. Like a maestro! I came like I was the high-school boy. In a minute or two. No one had ever done me like that.

"And we've been seeing one another ever since. Cheerleaders don't turn me on. Neither do jocks. I like big brains. And, it turns out, big, fat, uncircumcised, Italian cocks."

This horny coed has the hots for her English professor.

And he's sure in trouble the next time he has office hours. "Fuck it. I'm going for it. I know he wants me just as much as I want him. I have this sexy schoolgirl outfit picked out that shows off my tummy. I'm gonna go into his office, lock the door...and I'm not exactly sure what I'll do next. But I'm going to make it clear as day that I want to fuck right there!"

BROOKE
"I know it's cliche, but I totally want to do my professor."

What makes you think he's into you?

"Just the way he looks at me and little flirty comments he's made about how I'm pretty. I caught him looking at my panties under the desk during class. I'm pretty sure he even got a semi! I'm such a teacher's pet in class, too. I'm always participating and turning in my work on time. He really seems to appreciate that."

"I lock the door to his office and we make chit chat. I see that he's getting hard and I tell him that I want him. Then he kisses me and pulls me up on the desk and rips my clothes off. He eats my pussy like it's the last one on earth. I deep throat his cock. Then he fucks me deep and hard right there on the desk until all the papers are soaked in my juice."

Even with braces, Tessa is a blow job pro.

"Everyone always talks about how girls with braces will cut up your dick. I'm here to put an end to that rumor. I give head just as well, if not better than a girl who doesn't have braces. You just have to be careful not to use your teeth—which you shouldn't do with or without braces! And I have no gag reflex, so that helps a lot. Guys love it when I swallow them down to their balls."

How did you learn how to give really good blow jobs, Tessa?

"I was determined to not let braces ruin my sex life, so I started watching a lot of porn and practicing on dildos. Then I asked my neighbor, who is like 37, if he would mind giving me lessons. Every day after school I would go to his place and suck his cock, and I got really good at it! I got to the point where I could make him cum in under five minutes. So when I started giving blow jobs to guys my own age, they were blown away."

Alice is a self-proclaimed nerd. She has a 4.0 average and she loves math. But there are some things she can't learn in a book. Anal sex is one of them. "I have plenty of sex ed books, but when it comes to anal or even regular sex, you've got to experience it to really understand it. So I invited this dumb jock over so I could tutor him. I was a little nervous about doing anal, but once he started fucking my pussy I knew I was ready. I got so turned on. So I told him to put it in my ass, and he was shocked! But he did it. Don't teachers know they can't leave
teens unattended these days?

Even in a classroom, girls like Jenna are ready to fuck. To be fair, she was trying to study, but this guy wouldn't leave her alone. "He kept talking to me and he asked me to take off my glasses. I was like, ugh, fine. Next thing I know my shirt is off and we're making out."

So what happened next?

"What always happens. We fucked! Pretty much every time I make out with a guy, I end up fucking him. I guess I'm an all or nothing kind of girl. And if he's a good kisser, I don't stand a chance! Normally I wouldn't give a guy like him the time of day. He's not in with the cool crowd or anything. But his lips were feeling good on my mouth, so I figured they'd feel good on my pussy. His cock felt good in my pussy, too."

"I guess that was a chance I was willing to take. Sometimes you do crazy things when you're horny. But that didn't end up happening, and I got a good story and a good cum out of it. So it was a win-win situation. I don't think many girls can say they've swallowed a load of jizz in study hall." Watch this scene in *After School Slut Club 2*.

"You know cheer practice even used to turn me on," said Denise, thoughts still on her days as a cheerleader. "There was always this hot feeling that people were watching us—the boys, the teachers and so forth."

"I hated everything about being in the gym," said Larissa, the teacher's pet. "Having to change clothes, getting sweaty, the Physical Fitness Test."

"Oh, I hated the physical fitness test!" Kacey squealed, laughing.

"Me, too!" said Larissa. "All those sit-ups? Brutal!"

"I dunno..." said a thoughtful Denise, "remember how someone would have to hold your feet down? Her head would be between your knees half the time and you'd be pumping away? That's kind of sexy."

"You think everything is sexy!" Larissa joked.

Getting good grades is a top priority for Mae. So is cumming.

So why not do them both?
"I'm working on a science project and it's taking longer than I thought. Part of the reason is because I keep taking breaks to rub my pussy. Sure, I could get it done faster if I just buckled down and didn't masturbate. But squeezing in a cum here and there makes the whole experience way more fun and pleasurable."

"Masturbation is what makes me a grade-A student."

MAE
HEIGHT: 5'1" WEIGHT: 96 lbs.
BRA SIZE: 32A BORN: June 11
LIVES: Miami, Florida

Why do you
get the urge
to cum while
working on
your science
project?

"If my parents know I'm working on a project or doing homework, they leave me alone for a long period of time. Otherwise they're always knocking on my door and bothering me. So I have to take advantage of the privacy. Also, I'm just really horny."

**Do you think
masturbating
during your
homework helps
your grades?**

"I think so. It helps me to focus better. If I didn't take five or 10 minute cum breaks I'd be distracted thinking about sex the whole time. I know when my mind starts to wander that it's time to get my vibrator out."

Alaina's a little lezzie in a letterman jacket.

Okay, she's not a full-on lezzie because she likes cock, too. But she partakes in some girl-on-girl weekend action. "I don't think you can be completely straight if you're on the softball team. There are so many hot lezzies on the team that even if you're super into cock, you get to wondering about them. That's what happened to me. I started off totally straight and then started experimenting."

Tell us more about this experimentation.

"The girls are always walking around the locker room naked or in their underwear, and they all have super hot bodies. Then I'd catch girls hooking up in the showers and I started to get curious. I had a feeling this one girl had a crush on me because she would always check me out, so one day I asked her if I could join her in the shower. We started making out and it just felt so right. I knew I wanted to taste her pussy, so I did."

Would you ever have a three-way with a guy and a girl, Alaina?

"That's like, my biggest fantasy. It's the best of both worlds—pussy and cock! I love the idea of a girl sitting on my face while I lick her pussy and then having a guy thrust his cock inside me at the same time. If I had my way, the guy would cum all over both our faces and the girl and I would make out and lick it off each other."

Ariana is your cheerleader fantasy cum true.

She's a natural beauty with a tight, little body that she shows off in her skimpy cheer uniforms. She's as enthusiastic shaking those pom-poms as she is when she's riding a cock. And doing splits (on the court and in the bedroom) are her favorite. "I love being a cheerleader. It's such a turn-on to have all those eyes on you when we're doing our routine at a game."

ARIANA

**"I love knowing that
guys jack off to me."**

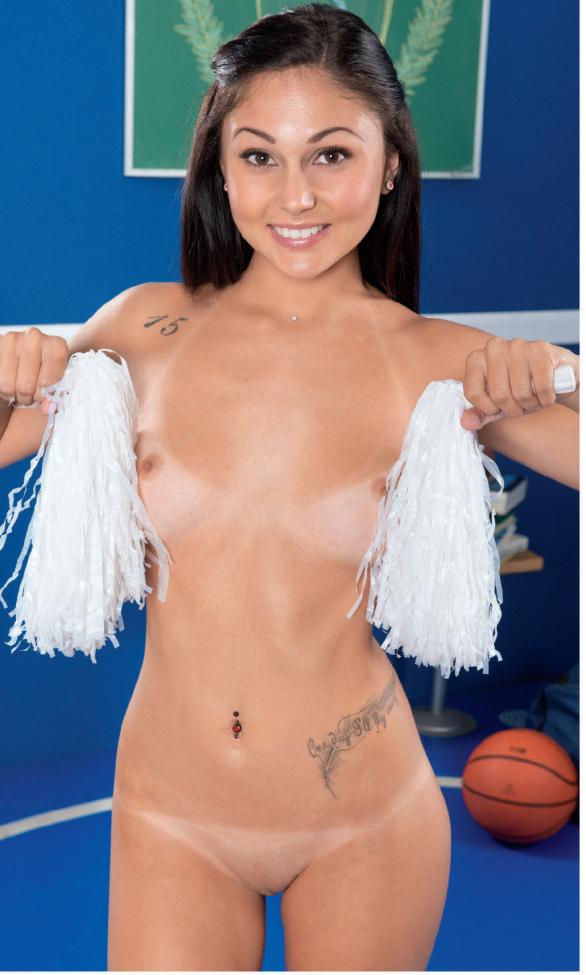

Have you ever cheered without panties on?

"I've thought about it, but that's a little too crazy. I'd get suspended for sure. But I've cheered with my panties soaking wet! The male cheerleaders who hold us up are really hot. They cup your butt while you stand on their shoulders, and I wish they'd slip a finger inside my pussy."

As a cheerleader, can you fuck anyone you want?

"I have a lot of options, but I like the guys I can't have the most. Lately I've been crushing on the PE teacher. I fantasize about sucking his cock in the locker room. He seems like a real by-the-book guy, so I don't think he'd go for me. But that's not going to stop me from wearing my sluttiest outfits around him and rubbing my pussy every night while I think of him."

**Molly gets
her physical
education in
the locker
room.**

It's not just the boys who are guilty of locker room talk. The girls are every bit as naughty, and Molly loves it. "Changing in the locker room is the best part of my day. All us girls get together and talk about the guys we're fucking and what their cocks are like. And we trade sex tips. I'm not a lezzie or anything, but I like to check out the other girls' bodies while they're changing."

Does seeing the other girls naked turn you on at all?

"It gives me a tingle in my pussy. I love cock, but I'd be curious to kiss and lick a girl, and have her lick me too. But for me, checking them out is more of an admiration thing. What really turns me on is all the perverted things we talk about. I love hearing about how they got their brains fucked out and learning who's packing and who's not in our class."

Do any of the girls get freaky in the locker room?

"Oh yeah. The lezzies have no shame making out and eating each other out in the showers. Sometimes they even put on shows for whoever wants to watch. I've seen a couple of girls give masturbation lessons. They were showing their friends how to rub their clit so they can cum. After one of those lessons, I stuck around to practice what they taught, and it totally worked!"

"Maybe, but come on, what about climbing the rope?"

"Oh, my God. Yes." Kacey gasped.

"See? No girl could resist the friction of the rope," Denise said.

"Guys. I think I found my story," Kacey said.

It was a Saturday morning. Not your typical school day, which Kacey admitted probably would have prevented the whole incident from happening. Hardly anyone was around.

"During my senior year, I joined the cross-country team," she explained. "It wasn't a super competitive group. Our coach was more about physical fitness and getting us into good habits, which was perfect for me. So we had Saturday morning practices sometimes because we didn't have to worry about it getting dark."

Not everyone showed up for them, though, due to other commitments, whether it was Driver's Ed, cheer-leading for a football game or just being lazy on a weekend. That morning, it was just Kacey and two other girls: Joss and Kelly.

"We went out for the usual five-mile run. I'm slow, so I ended up back at the gym about 20 minutes behind them. I walked in and there was Joss, five or six feet up that giant knotted rope hanging from the ceiling. You know, the 'easy' one for the kids who can't climb the un-knotted one."

"And?" asked Denise.

"Well, Kelly was standing there at the bottom and she was pulling the rope out at an angle and Joss was—well, she was riding the rope."

"OMG," chimed Larissa, "like masturbating on it?"

"YES!" Kacey explained. "The gym lights were off, everything was locked up except that one side door I came in and she was up there oohing and aahing and Kelly was just watching. She was lightly touching herself through her shorts with the other hand. I could see the cleft of her pussy lips through the material. It was so sexy. It turned me on. But I was totally in shock, so I just slipped into the locker room and left them alone."

Except that Kacey couldn't get it off her mind.

"Once I was in the shower, with all that heat and steam and my body

wash, I was rubbing my loofah all over my pussy, soaping it up, getting it clean and hot and juicy. Before long, I had dropped it and was just working my box with two hands, holding my lips apart with one, flicking and rubbing my clit with the other...and then I screamed!"

"You came?" Denise asked.

"No, I screamed. Because all of a sudden four hands were on me!"

Joss and Kelly had slipped into the shower room as well; Kacey was too distracted to notice.

"They scared the you-know-what out of me!" she giggled, "but MAN, were they worked up. I had barely recovered from my heart attack before Joss was behind me, soaping up my titties and Kelly was on her knees between my legs, face buried in my blonde bush."

Kacey, again, was too shocked—and turned on—to say a word. With Joss holding her steady, she succumbed to the intent of her horny teammates. "And it was, I should add, the first time anyone had ever eaten me out, boy or girl! Kelly—who I later learned likes girls on a full-time basis, not just for fun—was about the best first time I could ask for."

Hungry to taste the honey dripping from Kacey's lady parts, Kelly signaled for Joss to ease her down onto one of the benches, handing Joss the removable showerhead.

"It turned into a high-school sex spa," Kacey said. "Joss put a rolled up towel under my head, Kelly cupped my ass in her hands and just buried her face in my mound, tonguing my hole and sucking my clit while Joss teased my nips with her tongue and let the shower massager work over my sore muscles. I played a little, too, touching her breasts, tasting the nipples of her A-cups. I was nervous and it felt odd, but super sexy."

With Kelly's practiced lezzie lips "on the spot," it was only a couple of minutes before Kacey's mouthwatering munch box was creaming all over that eager tongue.

"She lapped it up," said Kacey, a little breathless from the memory. "And I haven't met a boy as hot for my pussy yet. Though I do intend to keep looking! Maybe I'll find him at school this year. Who knows?"

"Go for a professor," Larissa advised. "And lose the panties." The three erupted in girlish giggles.

Blaire is ending her school year with a bang...literally!

"It was the best. It's something I wanted all year. I had sex with a few guys in my grade, and it was okay. But I was really craving a mind-blowing sex experience. The kind you hear about in movies and TV. I've always been super attracted to the principal, and I noticed he had a huge bulge in his pants. But even that didn't prepare me for how huge it looked in the flesh! I think being able to take a pounding from his massive cock was a bigger accomplishment than acing any test."
